### 1 Explore

We'll take the time to get to know you, understand your needs, capture a basic brief, and explore what's possible—including workshop formats and outcomes.

### 2 Co-design Workshop

You'll work with us to shape your personalised curriculum—exploring content, visual approaches, and delivery format to best suit your team.

### 3 Proposal

We'll send a tailored quote with recommendations, scope, and next steps.

### 4 Confirm

When you're ready to proceed, click the Accept button on your quote, and we'll lock it in.

### 5 Onboarding

We'll work with you on any boring-but-important admin, like Purchase Orders and procurement systems, and any safety/induction requirements.

### 6 Pre-Workshop Check-in

We'll confirm the logistics and align on content to ensure everything is ready for an engaging, productive session.
